

Notice of Availability of Consumer Information July 2023

Each year, Jersey College is required to publish certain information regarding its institution, students, and graduates. This information includes, but is not limited to:

- General disclosures for enrolled or prospective students such as completion and retention rates, gainful employment information, school costs etc.
- The annual campus security report
- FERPA information

Students (current or prospective), faculty, and staff interested in obtaining this information may access it from the institution's website: www.jerseycollege.edu/policies. In addition you may contact your Campus Director or Administrator to obtain a copy of any of the above information.
